

Important

You will all have read the new criteria for the State dressage squads. To ensure that we include only qualified horses and riders, and that the results we record are as accurate as we can possibly make them, we need to collect certain information from you.

For example, when recording a horse's performances we need to use the registration number, because the database won't match names if they are spelt slightly differently. The same is true of riders' names; only the membership number will allow us to keep our records correct. For the squads, we need horses' dates of birth and Young Riders' dates of birth.

Riders of horses eligible for the Newcomer trophy will also have to provide proof of eligibility (0 points at the beginning of the calendar year the trophy is awarded). This will be by means of a photocopy of the performance card.

We are unable to obtain this information from the EFA office because the provisions of the Privacy Act prevent them from supplying it to us. Therefore, we ask all competitors in official events to complete the form below and return it to Dressage Queensland.

If we don't have the information from you, we won't be able to connect your results with your and your horse's details and you could miss out on a squad place or a trophy.

Please ensure that you provide accurate information. You *must* use the current (National) registration and membership numbers, which all begin with 4001 or 4000. Forms containing the old Q registration numbers and/or alphabetical membership numbers will not be accepted.

The information collected from this form will not be used for any purpose other than the maintenance of the Queensland ResQue database.

Please note that you only ever have to send in this form once. You do not have to send it in each year.

Dressage Queensland ResQue Database Information

Horse's Registration Number (e.g. 40019999) _____ (Q numbers are *not* acceptable!)

Horse's Full Registered Name _____

Horse's date of birth ____/____/____
